The faculty/chaperone staff wants to ensure that this is a great trip for each and every one of you. When traveling with a large group, order is important. Rules are necessary to guarantee your safety and the success of the organization. Please understand that these guidelines are for everyone. Do not choose to ignore any of these regulations. We want you to have a good, safe, and educational trip.

***Per ACS policy, any student who is assigned OSS that falls during the time of the scheduled field trip will NOT be allowed to attend as this prevents them from any school activity on or off campus. It is understood that the field trip is non-refundable at this point, and the student will NOT be able to receive a refund in the event of missing the trip due to a scheduled OSS. The undersigned agrees that AHS, ACS, and the trip sponsors will not be held liable for financial loss due to suspension.***

Thank you in advance for your cooperation.

I have read the above rules and regulations, and I agree to the consequences. In the event that a problem with my child arises, I understand that I will be required to provide transportation for my child to return home, if it is deemed necessary by the Head Chaperones and/or Administration.
